Michele Scaciga was born in Domodossola on the 18th December 1968. Since 1991, he has published various comics, created illustrations and paintings. He moved into the world of multimedia in 1997, where he has matched new and old expressive techniques. His natural artistic talent does not stop at paintings, but also spreads into the creation of sculptures and videart. He has exhibited both in the North and South of Italy, as well as Switzerland, Osterreich, Spain and the Netherlands.

After his higher education Michele attended the Scuola Del Fumetto and the Art and Message Institute at the Castello Sforzesco in Milan. In these institutions he mastered a knowledge in academic design and visual communication.

In 1999 Michele created "La Passione Di Artaud" an artistic cd rom which contains 180 drawings.

Between 1998 and 2008, ten spot cartoons were developed and thirty two shorts.
